Hello dear guest

We're glad you're here!

Since 2016, we've been enchanting guests here, between the Frauenkirche and the large garden, with our breakfast, which is served daily until 5 p.m.

We lovingly handcraft our cakes, sourdough bread, and brioche in our own in-house bakery. If you're interested in bringing Milchmädchen baked goods to your home or to a party, just ask. We're happy to bake your order!

Regional partnerships and the artisanal production of our products are very important to us. This way, we support our local area and ensure that only the best quality ends up on your table.

We wish you a fantastic time with us. Sit back, relax, and enjoy!
